

Harvard-Yenching Library Bibliographic Orientation Schedule, Fall 2022

We offer both virtual and in-person **research orientation sessions** with in-depth guidance on how to best access and utilize our wide variety of Chinese, Japanese, and Korean e-resources and databases. These sessions last about one hour. For the virtual sessions, please register sessions online at [Harvard-Yenching Library](#), under [Events](#). Zoom meeting ID and Password will be sent to you separately. We look forward to seeing you there, and feel free to forward these messages to your friends and colleagues.

If you cannot attend any of these sessions, we can offer a **One on One** session (either in-person or via Zoom) for you. Please make appointments directly with the Language Bibliographers.
